

Anti-Ragging Policy

At Government Polytechnic Mumbai, we are committed to providing a safe and respectful environment for all students. Ragging, in any form, is strictly prohibited and will not be tolerated under any circumstances. We believe in fostering a culture of mutual respect, dignity, and inclusiveness.

Zero Tolerance

Government Polytechnic Mumbai has a zero-tolerance policy towards ragging. Any student found involved in ragging activities will face strict disciplinary action, including suspension, expulsion, and legal consequences.

Support and Reporting

We encourage students to report any incidents of ragging immediately. The institute has established a dedicated Anti-Ragging Cell and helpline to provide support and ensure swift action. All reports will be handled with the utmost confidentiality and seriousness.

Awareness and Education

Regular awareness programs and workshops are conducted to educate students about the negative impact of ragging and the importance of maintaining a harmonious campus environment.
