Important Circular

One Time Opportunity (OTO) for Students offering P-19 & P-19R Scheme

Government Polytechnic Mumbai is an autonomous institute of Government of Maharashtra. As per the directives received from MSBTE, Mumbai and based on the new education policy our institute has implemented P-23 curriculum scheme from academic year 2023-24. In academic year 2024-25 for final year and detained students old P-19R curriculum has been offered. This is the last batch of old P-19R curriculum, so, Carry On / One Time Opportunity (OTO) facility is being provided to second & third year dropout / detained students. This opportunity is only during academic year 2024-25. This OTO facility / scheme will be implemented as per following guidelines.

1. OTO facility is given only to complete the term during academic year 2024-25.
2. Because of change in curriculum from P-19R to P-23, students those who are not eligible for Vth & VIth semester, are allowed to complete the term.
3. Also, those students who are not eligible for admission to higher classes because of dropout or detention during IIIth & IVth semester, are allowed to complete the term.
4. All these OTO students can complete their term during Odd (odd courses during odd semester) / Even (even courses during even semester) semester (in the same academic year 2024-25) as per their courses offered in their respective program (branch / department) schedule.
5. As per rule, as and when student becomes eligible for the examination, then only he / she can register for examination.
6. At a time, eligible students can register for maximum 10 courses for examination.
7. To complete the term student has to pay the term fee during academic year 2024-25. Term fee will have to be paid according to the student's category even if he / she has dropped out or is detained in the said term.
8. After this opportunity during AY_2024-25, students will not be allowed in old curriculum scheme. They have to take admission in first year offering P-23 scheme.
9. All the OTO facility availing students must be in contact with department HoDs and concern faculties for their completion of term.
